We are an AMA chartered R/C model aviation club located west of Pocatello near the Pocatello Regional Airport. Our flying field officially named Geisler Field is on an eight acre parcel which includes a 400 X 44 foot paved runway surrounded by lawn turf on both sides. Eastern Idaho Aeromodelers club meetings are held on the last Wednesday of each month at the Marshal Public Library, 113 S. Garfield, Pocatello at 7 PM except during summer months the meetings are held at our club's flying site, Geisler Field. Visiting spectators and AMA R/C pilots in good standing are welcomed at our flying site.

Finally got my computer back, what a merry go round. I want to thank Dan for covering for me while my computer was in the hospital. Just a reminder that the Swap Meet is this Saturday starting at 8:00 am. Bring something to fly, lets make it a good time. See you then!
