**We are an AMA chartered R/C model aviation club located west of Pocatello near the Pocatello Regional Airport. Our flying field officially named Geisler Field is on an eight acre parcel which includes a 400 X 44 foot paved runway surrounded by lawn turf on both sides. Eastern Idaho Aeromodelers club meetings are held on the last Wednesday of each month at the Marshal Public Library, 113 S. Garfield, Pocatello at 7 PM except during summer months the meetings are held at our club's flying site, Geisler Field. Visiting spectators and AMA R/C pilots in good standing are welcomed at our flying site.**

---

Message from the Prez,

Club meeting tomorrow at the field but will be an hour earlier at 6:00 PM due to the sun setting earlier. Next months meeting will be back at the library with restrictions, face mask is required, and will be held up top as the conference room is full of extra furniture to accommodate social distancing. Important tomorrow we will nominate officers for the next two years, so if you are not there you just might be nominated.

Editor, hope to see everyone's smiling faces tomorrow night. It is a meeting of importance.
