**We are an AMA chartered R/C model aviation club located west of Pocatello near the Pocatello Regional Airport. Our flying field officially named Geisler Field is on an eight acre parcel which includes a 400 X 44 foot paved runway surrounded by lawn turf on both sides. Eastern Idaho Aeromodelers club meetings are held on the last Wednesday of each month at the Marshal Public Library, 113 S. Garfield, Pocatello at 7 PM except during summer months the meetings are held at our club's flying site, Geisler Field. Visiting spectators and AMA R/C pilots in good standing are welcomed at our flying site.**

---

Dear EIAM Members,

The official website address (EasternIdahoAeromodelers.com) is now in use and Facebook has been updated. For this seasons Fun Fly, June 18<sup>th</sup>, 19<sup>th</sup> and 20<sup>th</sup> has been chosen. Also June 6<sup>th</sup> and August 22<sup>nd</sup> we will be holding a pylon event at the field. Last year all had a very good time. These events will be listed on the event calender on the website and by clicking on the event further info will be displayed. For the Mackey event the poster has been added to the event calender and can be opened by hovering over the event and clicking on the IMG. JPG for further info.

The president (Ed) is still planning to do a display of aircraft at the Pocatello Wellness Center but that event will be planned approximately one week in advance to avoid bad weather where this event will take place under shaded areas only.

As a reminder please pay your dues if you have not already done so.  
Be safe all.

Thanks, Dave
