**We are an AMA chartered R/C model aviation club located west of Pocatello near the Pocatello Regional Airport. Our flying field officially named Geisler Field is on an eight acre parcel which includes a 400 X 44 foot paved runway surrounded by lawn turf on both sides. Eastern Idaho Aeromodelers club meetings are held on the last Wednesday of each month at the Marshal Public Library, 113 S. Garfield, Pocatello at 7 PM except during summer months the meetings are held at our club's flying site, Geisler Field. Visiting spectators and AMA R/C pilots in good standing are welcomed at our flying site.**

---

Dear EIAM Members,

This Wednesday is club meeting at the field, so hope to see you there. It has been identified that our Fun Fly is in conflict with the Rigby Air Show so it has been suggested that we change our Fun Fly date. The calendar of events on the website will be changed to reflect the new date. Also several week ends ago there was a new student at the field and hope to continue to see his presents.

Thanks
